The 2nd Amendment

A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed.

"A man must know his own destiny, because he must know what he was meant to be. But if he does not recognize it, then he is lost. He is also lost if — and it will happen only two or three times in his life — if he does not recognize Fate. By this I mean once, or twice, or at the very most, three times, Fate will reach out and tap a man on the shoulder. He usually says, 'Go away, I'm busy,' or 'I don't know you, so don't bother me.' But if he has the imagination, he will turn around and Fate will point out to him what fork in the road he should take. If he has the guts, he will take it."

10 MILLION MISSING #GUNVOTES

Reporting shows there could be more than 515,000 hunters in Pennsylvania who aren't registered to vote in the 2024 election. That number is closer to 370,000 each in Michigan and North Carolina. Georgia, Wisconsin, Missouri and Virginia "all have more than half a million hunters and gun owners unregistered," and in Arizona – another key swing state – that number totals 133,000.

**The Firearms Coalition of Colorado
10-03-2024 Legislative Alert- Ballot Measures**

We have the following recommendations on ballot issues with brief comments.

Amendment G - Vote yes. Disabled veterans should get property tax assistance.

Amendment H - Vote yes. Judges should be held accountable for their actions.

Amendment I - Vote yes. Judges should be able to revoke bail for 1st Degree Murder.

Amendment K - Vote no. This measure makes it harder for the people to petition government.

Proposition 80 - Vote yes. Children should have the option to escape public school indoctrination.

Proposition KK - Vote no. This tax on guns and ammo is like a poll tax on voting.

Proposition 127 - Vote no. This hunting ban is an attack on gun owners and bad game management.

Proposition 128 - Vote yes. Forcing violent offenders to serve more time keeps them off the streets.

Proposition 130 - Vote yes. Law Enforcement needs support in fighting criminal predators.

Proposition 131 - Vote no. Ranked Choice Voting destroys political parties/depends election integrity.

The future of the Second Amendment depends on the November Election. Please provide all possible support to pro-Second Amendment candidates from the most pro-individual gun rights major political party. This means contributions of time and money to candidates at all levels. If you do not actively campaign for your legal rights, you will lose them. Time is running out.

There should be a pro- Second Amendment "Wave" in our state this year, because of the Biden/ Harris Administration's disastrous policies and actions in in other areas, such as Afghanistan, the Middle East, immigration, weaponization of federal agencies against political opponents, collusion with the Mainstream Media on censorship and dissemination of disinformation, inflation, covering up Biden's long-known mental decline, and failure to protect Donald Trump from a potential assassin. We have been left out of past "Waves." We cannot afford to sit on the sidelines and miss this last opportunity to save our birthright of freedom recognized by the Second Amendment.

Please get personally involved in the election process. Mike Rosen was right. "Party trumps person." A protest vote is a wasted vote. People who support third party candidates who cannot win are called "losers." Elections are decided by people who participate in the process. Please do something today to protect your birthright of freedom from those who would take it away.

The Firearms Coalition of Colorado
09-24-2024 Legislative Alert- Campaign for your rights or lose them

The Lame Duck President has emerged from the shadows to promise more executive action gun control before the expiration of his term. The Socialist/Liberal/Progressive Candidate, who has served as "Gun Czar," and "Border Czar," as well as Vice-President of the current administration, is more rabidly anti-Second Amendment than her absent-minded boss.

President Biden plans to sign new executive actions aimed at reducing gun violence (msn.com).

The contrast between the two US Presidential Candidates could not be more well defined. Despite her claim to be a "gun owner," the Socialist/Liberal/Progressive Candidate supports a ban that would include an estimated 60% of the privately owned firearms in the United States. The prospect of four new Left-wing senators from Puerto Rico and D.C. and a Supreme Court packed with anti-Second Amendment justices, looms dangerously large, if the anti-gun Left sweeps the election.

The future of the Second Amendment depends on the November Election. Please provide all possible support to pro-Second Amendment candidates from the most pro-individual gun rights major political party. This means contributions of time and money to candidates at all levels. If you do not actively campaign for your legal rights, you will lose them. Time is running out.

There should be a pro- Second Amendment "Wave" in our state this year, because of the Biden/Harris Administration's disastrous policies and actions in in other areas, such as Afghanistan, the Middle East, immigration, weaponization of federal agencies against political opponents, collusion with the Mainstream Media on censorship and dissemination of disinformation, inflation, covering up Biden's long-known mental decline, and failure to protect Donald Trump from a potential assassin. We have been left out of past "Waves." We cannot afford to sit on the sidelines and miss this last opportunity to save our birthright of freedom recognized by the Second Amendment.

There will be no "do-overs" after the election this year. This past legislative session was a taste of what is in store, if the status quo remains unchanged in Colorado. At a gun show several years ago, a legal immigrant from Eastern Europe said, "I came to this country to get away from Communism. The Communists are taking over here. Where will I go now?"

Please get personally involved in the election process. Mike Rosen was right. "Party trumps person." A protest vote is a wasted vote. People who support third party candidates who cannot win are called "losers." Elections are decided by people who participate in the process. I'm not voting for Trump.....

Someone recently asked me why I like Trump. My answer was that I don't really like a lot of things about Trump.

But this election is not about choosing the most likeable person.

We are voting between two vastly different ideologies. We are voting for the country we want to leave our children and grandchildren.

Trump represents that future and has proven that he can deliver. He is a patriot to the core and even served his country for 4 years without pay.

That moment when someone says, "I can't believe you're voting for Trump". I simply reply, "I'm NOT voting for Trump."

I'm voting for the First Amendment and freedom of speech. I'm voting for the right to speak my opinion and not be censored.

I'm voting for secure borders and LEGAL immigration.

I'm voting for election integrity to include mandatory voter ID. (Why would anyone vote against this?)

I'm voting for the Second Amendment and my right to defend my life and my family.

I'm voting for the police to be respected once again.

I'm voting for law & order and an end to allowing protesters to trespass and burn our cities, destroying innocent small business. (Tim Walz)

I'm voting for personal responsibility and the end of the revolving door where criminals are being put back on the street. (Kamala Harris)

I'm voting for the next Supreme Court Justice(s) to protect the Constitution and the Bill of Rights.

I'm voting for a return of our troops from foreign countries and the end to America's involvement in foreign conflicts.

I'm voting for the Electoral College and for the Republic in which we live.

I'm voting for the continued appointment of Federal Judges who respect the Constitution and the Bill of Rights.

I'm voting for keeping our jobs to remain in America and not be outsourced all over the world - to China, Mexico and other foreign countries.

I am voting for doing away with all of the freebies given to all of the illegals and not looking after the needs of the American citizens and homeless veterans.

I'm voting for the military & the veterans who fought for this country

I'm voting to keep men out of women's sports.

I'm voting for peace progress in the Middle East.

I'm voting to fight against human/child trafficking.

I'm voting for Freedom of Religion.

I'm voting for the return of teaching math, history, and science instead of the indoctrination of our children.

I'm not just voting for one person.

I'm voting for the future of my Country.

I'm voting for my children and my grandchildren to ensure their freedoms

America is the greatest country in the world, hence why everyone wants to immigrate here. So why do you want to change it?

Why do politicians want to enact policies that have failed in other countries throughout history?

I'm not voting for Trump.

I'm voting for America!

What can YOU add to the list. Think about what's important to you and your family and make sure you vote!
