A Message to All #GUNVOTERS - Thank You!

There's only one way to put it – gun owners, hunters, outdoorsmen and women, firearm and ammunition industry members and Second Amendment supporters gave a resounding victory to President-elect Donald Trump and pro-Second Amendment Members of Congress in the U.S. House and U.S. Senate. NSSF's successful #GUNVOTE campaign identified thousands of previously unregistered voters in key swing states to get them registered, educated and engaged, leading to more gun voters showing up to vote in critical presidential swing states and U.S. Senate races. The entire firearm and ammunition industry congratulates President-elect Donald Trump, as well as all federal candidates who stepped up to put America back on the right track. From all of us at NSSF – Thank you!
