HB24-1015, Suicide Prevention in the Workplace, Rep. Vigil, Sen. Michaelson-Jenet passed the House Business Affairs and Labor Committee on 01-31-2024 on a unanimous vote. This measure stigmatizes guns and indoctrinates workers against their possession. The Bill now goes to the House Appropriations Committee. We oppose this bill as written.

SB24-003, Authority of the Colorado Bureau of Investigation (CBI) to Investigate Illegal Activity Involving Firearms, Sen. Sullivan, Rep. Froelich. The bill is scheduled to be heard in the Senate Judiciary Committee on Monday, 02-05-2024 at 1:30 p.m. in the Old Supreme Court Chambers on the Second Floor of the Capitol. We oppose this bill.

We oppose bill

HB24-1123. Firearm Detection Software for Use in Schools, Rep. Bradley, Sen. Van Winkle, New this week. This measure would facilitate purchase of recognition software to detect exposed firearms by the use of school security camera systems. We support this bill.

HB24-1162, Penalty for Theft of Firearms, Reps. Armagost and Snyder, Sen. Zenzinger. New this week. This bill makes the theft of a firearm a felony, regardless of the cost of the gun. We support this measure.

SAFETY RECALL NOTICE

Tisas USA has recently learned of a potential safety issue with certain Tisas USA 1911 pistols. Tisas USA is voluntarily initiating a recall of these pistols to protect the safety of its customers due to the possibility of the hammer following the slide forward when chambering a round. While the chance of this occurring is extremely remote, and we are not aware of any injuries that have occurred because of this condition, Tisas USA is immediately implementing this recall of Tisas USA 1911 pistols.

If your pistol falls within the affected serial number range, do not attempt to load or fire your Tisas USA pistol. Doing so could possibly lead to property damage or severe injury.

Tisas USA will upgrade any affected pistols in the order in which it is received for inspection and upgrade pursuant to this recall. Tisas USA will supply affected customers with a return shipping label and will cover any expenses related to the inspection and upgrade of the subject firearms.
