### 06-14-2024 Legislative Alert- What Elected Liberals Did in CO- What We Must Do

#### Two Court Cases Are Wins

HB24-1174, Concealed Carry Permits and Training, Reps. Duran and Snyder, Sen. Mullica. This bill will make it harder to get a concealed carry permit and requires that instructors be certified by the County Sheriff.

HB24-1348, Secure Firearm Storage in a Vehicle, Reps. Velasco and Garcia, Sens. Jaques Lewis, and Fields. The bill requires locked storage of a firearm in an unattended vehicle in a case out of sight. This bill will make it hard to safely carry concealed.

HB24-1349, Firearms and Ammunition Excise Tax, Reps. Duran and Froelich, Sens. Hansen and Buckner. This November ballot measure, as amended, levies a 6.5% tax on guns, ammo, and firearm "precursor parts," in addition to the 11% Pittman-Robertson Federal tax.

HB24-1353, Firearms Dealer Requirements and Permit, Reps. Sirota and Bosenecker, Sen. Bridges. The bill adds a redundant state layer of bureaucracy and complexity to current federal rules and regulations.

SB24-003, Authority of the Colorado Bureau of Investigation to Investigate Illegal Activity Involving Firearms, Sen. Sullivan, Rep. Froelich. Bill creates a state gun police force. This is a very dangerous bill that centralizes police power in a state agency and threatens the authority of local law enforcement.

SB24-066, Requirement that Certain Businesses with Relationships with Firearms Merchants Use the Appropriate Merchant Category Code, Sen. Sullivan, Rep. Froelich. This measure flags credit card transactions with local gun dealers.

SB24-131, Prohibit Carrying Firearms in Sensitive Places, Sens. Jaquez-Lewis and Kolker, Reps. Brown, Lindsay, and Froelich. Bill bans concealed carry on college campuses.

Elections will decide if we keep our birthright of freedom recognized by the Second Amendment. Elections determine who runs the legislative process at the state and federal levels, and who controls the boards, councils and commissions for local districts, cities, and counties. Please do as much as you can to elect pro-Second Amendment candidates from the most gun-friendly major political party. Remember that a Third-Party Vote is a wasted vote. People who cast protest votes are called losers. The failed semi-auto ban will be back!

THIS YEAR, YOU MUST CAMPAIGN FOR YOUR RIGHTS, OR YOU WILL LOSE THEM.

Two breaking court cases: US Supreme Court (6-3 vote) threw out the BATFE Bump Stock Ban, because it exceeded the bounds of the law on which it was based. Federal Judge O'Connor said the BATFE Pistol Brace Rule requiring registration and taxation of pistols with stabilizing braces is too vague to understand and blocked enforcement of the rule.
