06-25-2024 Legislative Alert- Jon Caldara on 2024 Legislative Session

Jon Caldara, President of the Independence Institute, has written a masterful description of the bizarre 2024 Colorado Legislative Session, where the Liberal majority piled more and more restrictions on lawful gun possession, while refusing to impose more strict penalties for the actual theft of firearms.

The following is an excerpt from the article:

... *"But the best euphemisms come from the anti-Second Amendment crowd.*

They use "reduce gun violence," not the truthful "disarm the law-abiding." And why reduce just gun violence, not all violence? Don't go down that road, you'll find yourself asking the Black Lives Matter/all lives matter question and you'll be a racist. See above.

I never heard their most recent term, "ghost gun," until Biden was told to use it.

Ghost gun is almost as scary as "assault weapon," the greatest marketing term created to frighten people who know little about guns. Ask the average person to define an "assault weapon" and you find its like defining pornography. They only know it when they see it.

And the euphemism "the gun lobby" means the NRA, made of about 5 million people, like me, giving bits of money. Whereas the "disarming the law-abiding" lobby is largely one uberbillionaire, Michael Bloomberg, who funds an intersectionality of gunphobic organizations (Yes! Used the woke word "intersectionality"!) ...

Does anyone else find it curious that the gun-taking lobby "reduces gun violence" only by punishing the law-abiding?"

Caldara: Democrats hammer gun owners, coddle criminals - Complete Colorado.

The future of the Second Amendment depends on the November Election. Please provide all possible support to pro-Second Amendment candidates from the most pro-individual gun rights major political party. This means contributions of time and money to candidates at all levels. If you do not actively campaign for your legal rights, you will lose them.

There will be no "do-overs" after the election this year. This past legislative session was a taste of what is in store, if the status quo remains unchanged in Colorado.

Please get personally involved in the election process. Mike Rosen was right. "Party trumps person." A protest vote is a wasted vote. People who support third party candidates who can't win are called "losers."
